English Chess Federation membership is required for this competition.

This is very easy to take out, use link; [Membership rates & joining details – English Chess Federation](#)

Children who have never been members before can have free gold membership; otherwise, the cost is £12. The staff in the ECF office are very helpful so a quick call might be your easiest route to taking out gold membership, but it is possible to do this online too. It does take a few days for the membership to appear on the rating site. ECF membership applies to the child - the parent/guardian does not need to be an ECF member.

Supervision

We would expect parents/carers to look after their children in between rounds. No children are allowed outside the building on their own. No ball games are allowed on the premises.
